## Atlantic Wall Hung Pan

Thank you for purchasing this product.

These instructions relate to our wall hung WC pans as well as wall hung bidets.

Before you start check you have the necessary tools for installation.

Before you begin:

**Always handle our products with care and attention.**

**Ceramic products are brittle, and may chip, crack or break if not handled carefully. Broken ceramic is extremely sharp.**

Take care not to over tighten screws and fittings. Over tightening may lead to breaks or chips in the ceramic.

Before installing the product, please inspect for damage incurred during transport. FIRED EARTH can not take responsibility for damaged products after or during their installation.

We recommend that the guidance of a qualified plumber is sought throughout the installation process.

Always observe the plumbing and building regulations in the area the product is being installed in.

FIRED EARTH reserves the right to amend the design of its products without notice, as specified in the company catalogue.

### Tools Required

The following tools are necessary for the installation of this product.

We would once again recommend that a qualified plumber carry out the installation of this product.

Spanner

Silicone Sealant

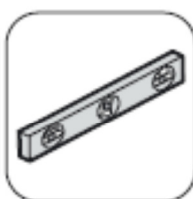

Drill

Safety Glasses

Pencil

Spirit Level

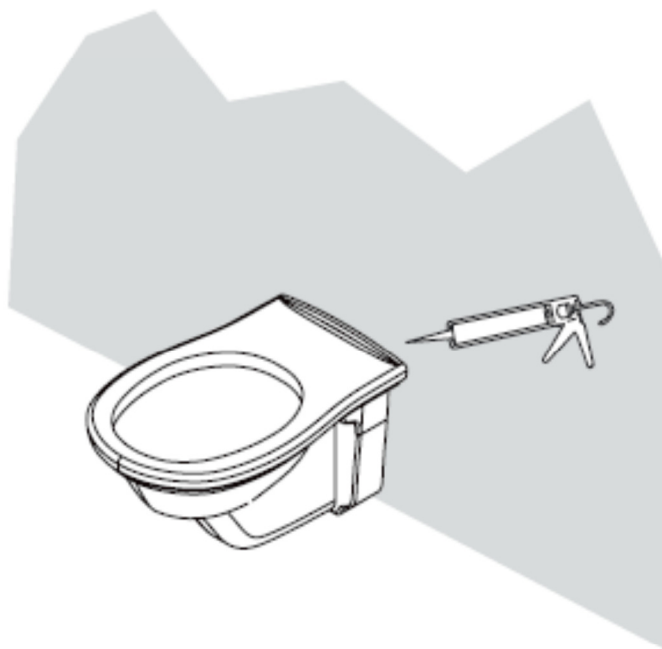

Basin Bolts Kit

PTFE Tape

**Atlantic Wall Hung Pan****Installation Guide • Wall hung pan/bidet**

-  Carefully measure and install all necessary pipework prior to installing the toilet/bidet. Ensure that you have a clear space within which to work. Install concealed cistern frame. Please use suitable fixings for your wall type. Offer up the Wall hung WC pan ensuring that the protruding bolts pass clearly through the fitting holes. Connect the pan to water inlet and waste outlet. Secure the toilet pan to the wall by tightening securing nuts. Once you are satisfied that the pan has been installed correctly and the fixings are adequately tightened turn on the water supply and once the cistern is filled operate the flush cycle.
-  Operate the flush cycle a few times and continually check carefully for signs of leaks from the inlet valve or toilet outlet if no leaks are evident, your toilet installation is complete.

### Atlantic Wall Hung Pan

#### Care and Cleaning instruction

##### Looking after your toilet/bidet

The glazed finish on your sanitaryware should be cleaned after use by applying a little cream type cleaner. Apply using a sponge or damp cloth and rinse thoroughly with clean water. Cleaners containing abrasive materials should be avoided.

Bathroom vanity furniture can be wiped over with a damp cloth and dried with a soft duster. The use of polish containing silicone or any abrasive materials can damage the wood finishes. Natural wax polishes should be used sparingly.
